Sure, no problem. By the way - it now appears that Eric Schaaf does plan on attending the presentation.

There is no projector in the room, but I placed a reservation for a projector through our Facilities website, and I think it should work out. It is a DELL 2300MP LCD Projector, if that means anything to you. I can't claim to have any expertise in using it.

Sarah -

Attached is our PowerPoint presentation for this afternoon. Do we need to bring a projector, or is there one in the room?

Thanks,

Gary P. Gengel
